ÖMER BAHADIR KUNDAK

CONTACT INFORMATION

Location	Ankara/Turkey
Languages	Turkish - English
Git	github.com/obk
Email Address	bahadir@kundak.dev
LinkedIn	linkedin.com/in/bahadirkundak/

EDUCATION

Atilim University, Ankara/Turkey　　　　　　　　　　　September 2017 - June 2023
Department of Computer Engineering
Published Papers: Artificial Intelligence Assisted Emotion Analysis in Online Meetings

Projects
EmoCall
As a team we developed a video-call application with emotion analysis.
Used Technologies: OpenCV, TensorFlow, FaceAPI

WORK EXPERIENCE

Haksa Tekstil　　　　　　　　　　　　　　　　　　　June 2023 - Ongoing
Software Developer
As a team, we developed custom ERP software for a textile factory. My responsibilities include face-to-face communication with stakeholders, requirement analysis, microservice development for reporting system, API testing with Postman, Blackbox testing, Whitebox testing, create and maintaine docker container for development environment.
Used Technologies: Docker, Python, PyTest

Aselsis Endüstrüyel Elektronik A.Ş.　　　　　　　　　　　　Summer 2020
Summer Intern
During internship I focused on testing finished projects and developing a distance education platform.
Projects: Aselfon and Opokul

PROJECTS

Smart Innovative Maintenance and Repair in Solar Energy　　　Jan 2022 - May 2023
Erasmus+ Project Reference Code: 2021-1-RO01-KA220-VET-000025733
I trained custom AI model for predict malfunctions in solar energy systems.
Used Technologies: OpenCV, TensorFlow, Keras

SKILLS AND ABILITIES

Software Development	C, C++, Python
Web Development	Django
Libraries	TensorFlow, PyTorch, OpenCV, PyTest, Keras
Applications	NGINX, Bind9, Docker, Postman
